

AceStdio 插件 | AceStdio Plug-in

本插件基于 [GNU 通用公共许可证 v3.0](#)（下称 GPL-3.0）开源。这意味着您不得将此插件的源码或二进制文件用于闭源商业软件开发；将源码或二进制文件二次分发（无论是否经过修改）时，您必须遵循同样的协议并免费提供一份源代码的副本。

附加条款：未经作者明确同意，您不得将使用此插件转换得到的任何工程文件用于商业用途。

本声明与 GPL-3.0 产生冲突时（附加条款除外），以 GPL-3.0 为准；在不同语言的翻译版本间，以简体中文版本为准。

This open-source plug-in is licensed under the [GNU General Public License v3.0](#) (hereinafter referred to as GPL-3.0). This means that you may not use the source code or binary files of this plug-in for closed-source commercial software development; when redistributing the source code or binary files (whether modified or not), you must follow the same agreement and provide a copy of the source code, free of charge.

Additional terms: without the explicit consent of the author, you may not use any project files converted by this plug-in for commercial purposes.

In case of conflict between this statement and the GPL-3.0 (except for the additional terms), the GPL-3.0 shall prevail; among all translated versions in different languages, the simplified Chinese version shall prevail.
